Synergy Smallholder has been designed for like-minded people with smallholdings of all types and sizes to enable you to fully look after the health of the animals you care about - from alpacas to piglets!

The Smallholder package not only provides access to support from knowledgeable veterinary staff along with all the services encompassed by Synergy Farm Health. It also means you would become a member of a specific group, with other smallholders, in which there are opportunities to learn and discuss in our smallholder meeting workshops and our seasonal newsletters.

**Become a member for just £100 +VAT a year**

Receive advice and support from our team of 32 vets, many of which have certificates or diplomas in their areas of special interest.

Goats? Cows? Llamas?  
Alpacas? Chickens?  
Sheep? Ducks? Pigs?

Let our experienced and conscientious team take the hassle out of routine tasks.
